EX PARTE OR LATE FILED

Re: Ex Parte Presentation
IB Docket No. 00-248

Dear Ms. Salas:

The purpose of this letter is to advise the Commission that Norman Abramson, President of Aloha Networks, Inc., and the undersigned counsel had a meeting on March 8, 2001 at the Commission offices with Ronald T. Repasi, Steven Spaeth and Hsing Liu to discuss Section V of the above-referenced Notice of Proposed Rulemaking. The discussion focused on clarification concerning the Commission's intent, the basis upon which the Commission would propose different values of "N" for systems using FDMA, TDMA, CDMA, or Aloha multiple access techniques, and the extent to which the Commission was attempting to establish a "bright line" test to determine whether a VSAT licensee with multiple members exceeds the power limits to be established by the Commission.

No documents were exchanged at the meeting.

If the staff has any questions concerning this meeting, the undersigned counsel should be contacted.

Sincerely,

DICKSTEIN, SHAPIRO, MORIN &
OSHINSKY, L.L.P.
Attorneys for Aloha Networks, Inc.
